## CERTIFICATE OF ANALYSIS

### NeoMDx™ cCMV real-time PCR assay (CMV-96 and CMV-384)

#### NeoMDx cCMV Kit Control DBS

Catalog No: CMV-CTL  
Lot No: 3012097  
Kit Expiration Date: 24-Mar-2024

Component	Lot No.
Eonis cCMV Kit Control DBS	3012097

Items	Criteria	Results	Disposition
C1 Panel	Detect no CMV based on Ct cutoff. Detect RPP30 based on kit control Ct cutoff.	Standards compliant	<input checked="" type="checkbox"/> Pass <input type="checkbox"/> Fail
C2 Panel	Detect CMV based on kit control Ct cutoff. Detect RPP30 based on kit control Ct cutoff.	Standards compliant	<input checked="" type="checkbox"/> Pass <input type="checkbox"/> Fail
C3 Panel	Detect CMV based on kit control Ct cutoff. Detect RPP30 based on kit control Ct cutoff.	Standards compliant	<input checked="" type="checkbox"/> Pass <input type="checkbox"/> Fail
Negative Control Panel	All targets are negative based on Ct cutoff	Standards compliant	<input checked="" type="checkbox"/> Pass <input type="checkbox"/> Fail

Store -15°C to -25°C.

For research use only. Not for use in diagnostic procedures.

The above listed component lot of NeoMDx™ cCMV real-time PCR assay (CMV-96 and CMV-384) has been tested and approved by Quality.
